

All members playing at Valleystream are required to fill in the online active Covid screening every day that they plan on accessing the courts at Valleystream. The form must be filled out prior to entering the courts - on the day that you play.

The form can be filled out online from home on your computer, tablet or smartphone using the following link:

<https://qr.groundlevelinsights.com/qrForm/template/1301>

If you arrive at the courts without having filled in the form that day, you must fill out the form prior to entering the courts using the above link - or scanning the QR Code on a poster which will be mounted at each entrance to the courts.

The poster features a green circular logo at the top with a yellow pickleball in the center. The text around the logo reads "IT'S A Great Day FOR PICKLEBALL". Below the logo is a large black and white QR code. Underneath the QR code is a list of three instructions: "SCAN THE CODE", "ENTER CONTACT INFO", and "ENTER & ENJOY". At the bottom left is the Canatrace logo, which consists of a red location pin icon over a red map outline. To the right of the icon, the text "CANATRACE™" is written in bold black letters, with "KEEPING CANADIANS SAFE" in smaller red letters below it.

• SCAN THE CODE
• ENTER CONTACT INFO
• ENTER & ENJOY

KEEPING CANADIANS SAFE

You can scan the QR Code using the Photo app on your iPhone or Android phone. If you have an older model Android phone you may need to download a QR Code scanning app on your phone to use the QR Code.

When you successfully scan the QR Code, your app will prompt you with a message, which you must click on to open up the form.

If you are unable to access the form via the QR Code then you will need to access it via its URL:

After completely filling out the form you will be presented with either a Green or Red indicator, identifying whether it is safe for you to enter.

The form will start by asking you to identify yourself, with name, email address and phone number, after the introductory screen:

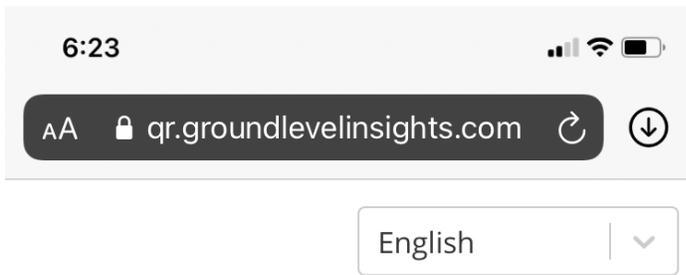

At Valleystream Pickleball Club, we concentrate our efforts on preventing the spread of the novel coronavirus (COVID-19) following the World Health Organization's COVID-19 outbreak guidelines.

Please fill in the form to get access.

After that it will ask you questions about your activities & health status.

7 → In the last 14 days, have you or anyone you live with travelled outside of Canada?

Yes

No

After completing the form you will receive a response screen in either green or red identifying the results of your screening.

If you receive this response - it is okay for you to enter.

Typical Pickleballer

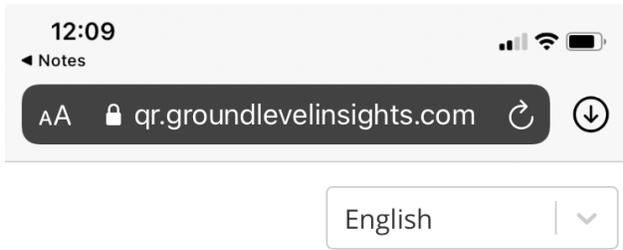

Please present this screen at the entrance. Thank You!
